Candidate Testimonials

was truly one of the most enjoyable courses / certifications I have completed. Our company is 'transforming' to Agile and this training has truly benefitted me and my career tremendously.

-Project Manager

"Excellent program and good tests. The certification allowed me to prove my skillset and to successfully apply for a new position."

-IT Service Manager

"Excellent course that can easily be applied to projects. Very useful for Project Managers."

-Systems Project Manager

"Our organisation has moved to embrace Agile over waterfall and the AgilePM course has given me the credibility to lead in this space."

-IT Programme Manager

"A fresh way of approaching a successful project outcome. Love it. Very different from the traditional methodology, allowing a different approach to implementing the solution and providing the end user with earlier results."

-Senior Systems Analyst/Project Manager

"I really learnt a lot - it was an eye-opener to see how projects can be run in an Agile manner. The content covered is very relevant and therefore valuable in my current environment."

-Change Manager

"The Agile methodology is vital in the digital age and AgilePM is excellent at providing guidance on how to achieve this at scale."

-Digital Governance & Compliance Manager
